

Tertiary Collection of Student Information (TCSI) Data Collections

2025 Reporting Year

2025 Data Requirements and Change Control Document

Section 1 – 2025 Data Requirements

The Education Ministerial Notice (higher education) and Department of Employment and Workplace Relations (DEWR) Secretary's Notice (VET Student Loans) require providers to check for any changes to data requirements which may be made from time to time.

This change control document details requirements the 2025 reporting for the tertiary data collections.

Providers will also be notified of changes through the TCSI Support site at <https://www.tcsisupport.gov.au> and newsletter at <https://www.tcsisupport.gov.au/news>.

Section 2 – Change Control Summary for the 2025 Reporting Year

Changes for 2025 Data Requirements - issued 25 November 2024 - updated 30 January 2025	
1. Submission timeframes	Mandatory 2025 data submission timeframes are detailed in section 3.
2. Clarifications to reporting elements	Minor clarifications and updates to the reporting requirements to support reporting staff are detailed in section 3.

Section 3 - Change Control Details

Tertiary Student Information Collection – 2025 Reporting Year

Reporting requirements – 2025 Data element specifications

Source of change	Version	Change and Impact	Packets	Issue Date
Data Collections Timeframes	N/A	<p>2024 Student - Verified data Due 17 April 2025</p> <p>2025 Student - University Applications and Offers</p> <p><u>Preliminary collection – Due 12 February 2025</u> (Data reference date 29 January 2025)</p> <p><u>Final collection - Due 28 May 2025</u> (Data reference date 14 May 2025)</p> <p>2025 Staff - Verified data Due 27 June 2025 (Data reference date 31 March 2025)</p>	N/A	25/11/2024
Clarifications to Reporting Elements				
Table B Providers	N/A	Avondale University has been listed as a Table B provider in the Higher Education Support Act 2003 (HESA). References to Avondale have been removed from applicable packets where 'Table B provider' is specified.	Full-time staff Casual Staff actuals Casual Staff estimates	25/11/2024
Work Classifications packet	N/A	<p>Changes will apply to the 2025 version of the following packets</p> <ul style="list-style-type: none"> Work classifications packet 2024 (used by HESA University providers), and Work classifications packet (PIR) 2024 (used by PIR and NUHEP (HESA-approved non-Uni) <p>The About text has been updated to read:</p> <p>“About -</p>	Work Classifications	25/11/2024

		<p>The initial work classification is reported when the full-time staff packet is first created. Additional work classification packets are required when a member of staff is reported in multiple years and for a staff member employed across multiple work classifications within a single year. A provider may create as many additional work classifications packets as necessary to cover all of the work classifications that may apply to the member of staff on the reference date.”</p> <p>No system change required.</p>		
Unit Enrolment packet	N/A	<p>The HEP Student Unit Enrolment packet Uniqueness requirements have changed. The following text has been amended under the Uniqueness subheading.</p> <p>Deleted "A student can study the same unit of study more than once, so long as the commencement and outcome dates do not overlap."</p> <p>Changed "For providers that use AOU's, each unit enrolment packet must also have a..." to "For providers that use AOU's, each AOU enrolment packet must also have a..."</p> <p>The PIR Unit Enrolment packet Uniqueness requirements have changed. The following text has been deleted under the Uniqueness subheading.</p> <p>Deleted "A student can study the same unit of study more than once, so long as the commencement and outcome dates do not overlap."</p> <p>No system change required.</p>	<p>HEP student unit enrolment</p> <p>PIR student unit enrolment</p>	25/11/2024
